# The Prophecies Of Nostradamus

Ye Starlings and Damage-Makers of ye Times to Come, as told, by ye Astrologer  
and Prophet NOSTRADAMUS, Christ All-forsaken on King David XXV

1 My name is NOSTRADAMUS,  
None hearken while I tell,  
Of future Things that I have seen,  
Revealed by a Magic Spell!

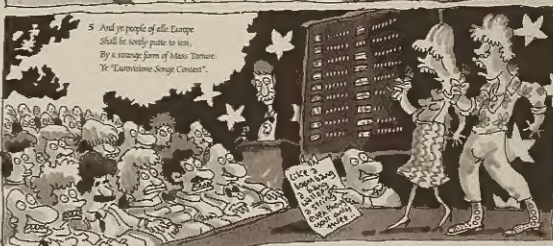

2 Europe will be unsettled  
By force and ignorant Clowns,  
They will come across from England,  
And be known as "Footballers"

3 And Slugs that fly across ye sky  
Shall bring many a Stranger trade,  
To be on Europe's beaches  
And complete above ye heads

4 A strange meddling Horse  
Will plague ye British Nation,  
His name will be "Terry Waggoner"  
And he'll be seen on every station!

5 And ye people of old Europe  
Shall be sorely put to test,  
By a strange form of Mass Torture,  
Ye "Extravaganza Songs Concert"

6 And in Book-Shops throughout ye World,  
Volumes of Fables will be sold,  
By so-called "Modernist Astrologists",  
Turning Rabble into Gods!

MORAL: There are profits in prophecy!
